1. All pending claims 1-22 are allowed. Claims 1 and 18 are independent.

2. The following is an examiner's statement of reasons for allowance:

Independent claims 1 and 18 have been amended to include grouping the image data into one or more logical units. This limitation is not taught by the closest prior art reference Anderson et al. (U.S. Patent No. 6,680,749). Thus, this limitation in combination with other limitations of claims 1 or 8 is not taught by Anderson et al.

Claims 2-17 depending on claim 1 are allowable for the reason given for claim 1.

Claims 19-22 depending on claim 18 are allowable for the reason given for claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
